Dream Dinners Provides Deserving Local Families With Months' Worth of Free Meals

In an effort to give back to those in need this holiday season, Dream Dinners of San Diego hosted local families in need at their store on Wednesday, December 10 to assemble a months' worth of meals. Each of the families are involved with The Burn Institute, which provides thousands of people each year with lifesaving fire and burn prevention education, funds vital burn research and treatment and conducts burn survivor support programs.

Dream Dinners is a meal assembly business that brings families together over home-cooked meals by providing easy, time-saving solutions that removes the planning, preparing and shopping from meal time. With the holidays quickly approaching, local owners Lillian Sarangay and Lee Ann D'Artenay wanted to help take the stress off these deserving families so they don't have to worry about the time consuming tasks of shopping and preparing dinners.
