

Marietta child with cancer receives donation of food

By: Hilary Butschek | December 11, 2014

MARIETTA — A 6-year-old Marietta child who has cancer got her wish Monday.

Olivia Kelsey, who was born with a sacrococcygeal teratoma tumor, got a television and a collection of her favorite movies and TV shows from Children's Wish Foundation International.

Then, her family received a month's worth of home-cooked meals frozen so they could be used in the future to make dinner easier. The meals were cooked by Dream Dinners of Roswell on Monday.

Dream Dinners, a meal assembly business, donated the meals to make dinner a stress-free event during the holiday season.
